- 15:00 – SWEDEN

DISCUSSION: 15:10 – 15:30

15:30 – 16:30 CET

PANEL II – WORKSHOP / SEMINAR

- 1) *How do the current young generation in Sweden/Estonia/Lithuania/Poland understand in practice the concepts of community, cooperation, common good and sustainable development? Have there been any significant changes in defining these concepts in recent years, and if so, what has been changed?*
- 2) *Is the tradition of learning from the older generation still important or has it already been replaced by the opportunities offered by new technologies and changes in behavior, e.g. resulting from the transfer of behavior patterns and experiences of other societies...?*

PARTNERS' PRESENTATIONS:

- 15:30 - ESTONIA
- 15:40 - LITHUANIA
- 15:50 - POLAND
- 16:00 – SWEDEN

WRAP-UP DISCUSSION: 16:10 – 16:30

16:30 – 16:40 CET
